Sir:

SUBMITTAL OF TERMINAL DISCLAIMER

In applicants' response filed October 30, 2006, applicants reserved the right to submit a terminal disclaimer until prosecution of the present application was completed. In a telephone call with the undersigned on November 6, 2006, Examiner Matthew M. Barker indicated that the application would be in condition for allowance when the terminal disclaimer is received. Accordingly, enclosed is an executed Terminal Disclaimer to Obviate a Provisional Double Patenting Rejection Over a Pending "Reference" Application.

Applicants believe that this application is now in condition for allowance, in view of the above remarks. Accordingly, applicants respectfully request that the Examiner issue a Notice of Allowability covering the pending claims. If the Examiner has any questions, or if a telephone interview would in any way advance prosecution of the application, please contact the undersigned attorney of record.
